Dear Papa,

We all are very lonesome for you. I am doing my best at school. I am preparing for my first communion. I think I will make it in May. I wish you a very happy Easter. I wish you were here so I could give

you an egg. It is snowing to-day [sic] it and the walking very bad. It is the first time I have written on paper without lines and it is not very straight. I hope you are in good health. Do you think we will go to you or not? I will be glad when summer comes. Do you have maple trees in "Souf [sic] Aftica [sic]" as Dubbie calls it. I am up to Mammas [sic] mouth. I will be "hopping in next" Mamma says.

I like music very much. Thank you very much for the Kaffir bracelet it is a funny bracelet. We might go to Ontario this summer. I am well and so is Mamma, Gertie and Dubbie. I hope you will write to me soon. With love and kisses

I remain

Flora
