Dear Papa,

I received your welcome letter to-day. When I went to feed my rabbits one morning every one was out! With Bagnall's assistance, however, I captured them. It is his opinion that, during the night, some one let them out. The rabbits are very comfortable there.

I am glad to say that the boys do play like gentlemen. [loss] cannot be said of King, a lacrosse Hockey player, who, at a hockey match against St. Marys [sic] knocked A. McHugh senseless! Miss Allison, Mr. Greigg, and Dr. Costello were here on Sunday night. Such a varied conversation you never heard before!

I am very glad your cough is better. You are having quite a gay time. Bagnall has been very ill.

(later)

We had Rev. Mothers feast to-day. There was quite a varied programme.

Gertrude is better to-day, Flora is quite gay, Mamma has been taking electric treatment, Auntie Minnie is well, while I am fine.

Dear papa, this is all the news,

Loving son
