

			UAA INVENTORY OF RECORDS				
			UAA-2019-006				
			Dr. Gordon. R. Freeman fonds				
			Accessioned by: J. Franks				
			Inventory by: J. Franks				
			Date Compiled: 7 August 2019				
Box 1		Box Description					
		Box consists mainly of Dr. Freeman's notebooks and index of the project. It includes files related to archaeoastronomy, Dr. Freeman's Gold Medal in Chemistry, Takls on the Sacred Rocks, Mic Mac					
	File	File Title	Scope/Content	Unit date	Media	Access	Location
	File 1	Mic Mac Hireoglyphics	File consists of a compilation of approximately 400 photocopied pages of Mic Mac hireoglyphics.	N/D	Text	Open	RCRF Main
	File 2	The Sun Temple near Majorville (Talks 2002-2009).	File consists of notes and photocopied images comprising talks/presentations in Milo on the topic of the Sun Temple site at Majorville.	2002-2009	Text	Open	RCRF Main
	File 3	The Sun Temple near Majorville (Talk: CAA Conference Ottawa May 16-18).	File consists of a booklet of abstracts for the conference, a diagram depicting sight lines at Majorville, notes on the archaeological site, copies of e-mails related to G. Freeman's conference presentation and a copy of a "call for papers" page.	2002	Text	Open	RCRF Main
	File 4	The Sun Temple near Majorville (Talk: Banff Centre August 22 2003).	File consists of a presentation: <i>A 500 Year Old, Accurate Solar Calendar In the Sun Temple Near Majorville</i> and information related to the NASS Conference at Banff.	2003	Text	Open	RCRF Main
	File 5	The Sun Temple near Majorville (Talk: Calendar in Sun Temple Astronomical Society of Canada Edmonton, AB February 9, 2004).	File consists of a presentation: <i>A 500 Year Old, Accurate Solar Calendar In the Sun Temple Near Majorville</i> - delivered at the Astronomical society conference.	2004	Text	Open	RCRF Main
	File 6	The Sun Temple near Majorville (Talks 2002-2009) KEKIP - Sacred rock in alberta: Moon Morningstar and Blood Sacrifice	File consists of correspondence, an artice KEKIP - <i>Sacred Rock in Alberta: Moon Morningstar and Blood Sacrifice</i> delivered at the symposium and incldes photos of KEKIP."	2007	Text; DVD; Negs; Transparen	Open	RCRF Main
	File 7	The Sun Temple near Majorville (Talks 2002-2009) Arthus McArthur House 1840 Pakenham Ontario July 2009.	File consists of notes, newspaper clippings, a biography of K McArthur and annotated copies of photos of the McArthur House.	2009	Text	Open	RCRF Main
	File 8	The Sun Temple: "N Lines"	File consists of e-mail correspondence with D Ebert.	2004	Text	Open	RCRF Main
	File 9	The Sun Temple near Majorville (Talks 2002-2009) Equalday in Chankillo, Peru September 17, 2009.	File consists of e-mail correspondence and an annotated article including photos of <i>Chankillo: A 2300 Solar Observatory in Costal Peru</i> .	2009	Text	Open	RCRF Main

	File 10	The Sun Temple near Majorville (Talks 2002-2009) CAA Thunderbay 5000 Year old Archaeological Calendar in Alberta	File consists of a schedule of events for the CAAC conference, instructions for participants, travel itinerary and correspondence.	2009	Text	Open	RCRF Main
	File 11	Canadian Archaeological Association Talks: Stonehenge Winter Solstice Rises & Sets Majorville: Summer/Winter Solstices.	File consists of a collection of papers presented at the 33rd Meeting of the CAA in Ontario, correspondence, notes/transparencies of the Black Hills (Lakota) and a hand written articles including "Stonehenge: "Winter Solstice Sun Rise and Set lines", <i>Observational Archaeoastronomy at the Majorville Medicine Wheel Complex</i> including supporting transparencies and photos, maps and sketches of the site, and annotated copies of <i>Observational Archaeoastronomy at Stonehenge</i> .	2000	Text	Open	RCRF Main
	File 12	Stonehenge: Summer Solstice June 1999.	File consists of brochures on stonehenge, copies of photos of Stonehenge, correspondence including with the manager at Stonehenge, notes and annotated images of Stonehenge.	1999	Text	Open	RCRF Main
	File 13	Stonehenge: Winter Solstice (Sun Rises) December 1997.	File consists of notes, annotated copies of images, correspondence with friends in England and staff at Stonehenge and a completed application for special access to Stonehenge for research by G. Freeman.	1997	Text	Open	RCRF Main
	File 14	Stonehenge: Equalnight - Sun Sets and Sises (September 2001, 2002 and 2006).	File consists of a write-up of Stonghenge, correspondence regarding travel to, stay and research at Stonehenge, itinerary of stay in England, sketches, maps and notes of Stonehenge, maps of the surrounding area, annotated images of Stonehenge and statistics on Stonehenge visitor numbers.	2002-2006			RCRF Main
